We are an organization of priests of the Archdiocese of Detroit, strongly supported by participating laity, who seek renewal of the Church of Detroit. We do this by offering opportunities for education and creating an open forum for discussion and dialog that will lead to developing and advocating more collegial solutions to the challenges we face. We firmly believe these efforts will contribute to a greater solidarity among priests and a renewed Church of Detroit.

The Elephants in the Living Room has a new website: www.elephantsinthelivingroom.org.

It replaces www.elephantsinthelivingroom.com.

In addition, we have a new mailing addresses: tomkyle39@gmail.com and/or elephantsinthelivingroom@gmail.com.

Reason for the change:

Earlier this year Yahoo changed its practice of allowing large mailings due to abuses by some companies sending scam mailings.. We had problems working with Yahoo to adapt to this new policy and protect out mailing list with blind copies. So we moved to Gmail. However, this exposed a problem we didn't realize we had; namely, many of the email addresses we have had become undeliverable, either because the owner of the address replace it with a new address, the owner relocated or is now deceased.

So we need to update our email listing. You can help us by reviewing the email address we have on the mailing list at the registration table and confirming or correcting your email address. This will enable us to restore emails to you if you have not been getting them.

We also decided to go to a new website due to problems with Yahoo. For the last couple of months, yahoo has not allowed us to publish updates to the website, although access to the website on the internet was provided. Yahoo's suggestions to repair the problem proved unworkable.

But also, we needed to update the technology to allow users of iPhones and iPads access to readable screens. Now the software will adjust the screen so that the text/pictures are readable on iPhones and IPads.

We want to thank Dr. Gerry Furi for the work he had done to bring this about.. He will be leading the accompaniment at today's prayer service. So you may want to stop by and let him know what you think about the new website.

Tom Kyle
